Welcome Back to the Final Half Term of the Year!

I hope everyone had a relaxing and enjoyable half-term break and is feeling refreshed for the exciting weeks ahead. Summer Term 2 is always a special one, filled with memorable moments such as school trips, themed days and events, sports days, and end-of-year celebrations.

We especially hope our wonderful Year 6 pupils enjoy every moment of their final term with us - it's a time to make lasting memories and celebrate all they've achieved.

Gardening Club

Our first gardening club was a great success. The main job was to prepare the area for planting.

This involved lots of weeding, digging and watering. The children thoroughly enjoyed getting their hands dirty and finding lots of bugs. We can't wait to see what begins to grow over the coming weeks. Next week, we look forward to planting some potatoes.

A huge thank you to Mrs Somerville who has done all of the organisation to get this new club up and running! Also, a big thank you to the 'Wokingham in Bloom' volunteers for supporting the school in donating seeds, plants and compost, offering lots of advice and attending the club. Thank you to Mr McQuay for making one of our planters. Also, a big thank you to our parent volunteers, Mrs Waistell, Miss Holloway and Mr Hiscoe, who helped revive an old planter and create some sunlight to help plants grow! We couldn't run the club without their attendance.

One final thank you to our lovely parent community for their generous donations from our Amazon wish list. We are very grateful. You are still able to purchase from our list, as we are still in need for some gardening tools and compost! Please click on the link <https://www.amazon>

Bookworm Bulletin

Thank you to Mrs Wesley for the latest edition of the Bookworm Bulletin. Please find a copy attached to this week's newsletter.

PA Events

A huge thank you to our fabulous Parents' Association for organising today's Krispy Kreme Donut and Second-Hand Uniform Sale after school. Your continued dedication and creativity bring so much to our school community, and we're excited to see how much is raised. We're also looking forward to the Fathers' Day Gifts event taking place next Friday—another lovely opportunity for our children to show appreciation and celebrate their loved ones.

School Games Outdoor Athletics Intrahouse Competition:

During the last week of term, all year groups took part in the School Games Outdoor Athletics Intrahouse Competition. Children took part in long jump, hurdles, rebound net throwing activities and finished off the session with all houses competing in a relay race. The children thoroughly enjoyed the sessions, and were supported brilliantly by our Year 5 children, who also scored the events - thank you for your hard work!

After a long half term break wait, the results are finally in...

4th place - Armstrong

3rd place - Peake

2nd place - Jemison

1st place - Sharman
