### Welcome Back

Welcome back to all of our Keep Hatch families. What a fantastic week it has been across the school. It has been wonderful to see such a positive start, with the launch of our Behaviour Curriculum proving to be a great success. The children have responded brilliantly, demonstrating impressive attitudes, respect, and commitment in all areas of school life. We are incredibly proud of how quickly they have embraced the expectations – well done to everyone for contributing to such a strong and purposeful start to the term!

### Y2 Trip to The Living Rainforest

On Wednesday 3<sup>rd</sup> June, Year 2 went to the Living Rainforest. The children had a wonderful time learning all about the different plants and animals that live in rainforests and how they are adapted to living there. We were lucky enough to see many amazing animal species, including a huge iguana, emerald tree boas, Goeldi's monkeys, Caiman crocodiles, Harry the armadillo and we even got to see the elusive sloth, Cinnamon. What a wonderful trip! Thank you to all the staff and parents who helped on the day.

### Rescheduled Colour Run

It was a real shame that we had to reschedule the colour runs this week due to the recent disruption, but we are really looking forward to them taking place on 2nd and 3rd July instead. The excitement among the children is already building again, and we know they will be fantastic events for everyone involved. In the meantime, please do continue to support the event through sponsorships if you are able – your support is greatly appreciated and helps us provide even more opportunities for the children.

### Parent Survey

Please complete the parent survey that was sent out yesterday which needs to be completed before Friday 3rd July.

### Sports Afternoon and Family Picnic

Please complete the online ParentMail Form that was sent out yesterday by Monday 8th June. This is to confirm whether you or another family member will be attending the family picnic with your child. This is so we can arrange for children without a parent/carer for the picnic to be sat with a member of staff.
