Football Enrichment Days

Our children had an amazing time taking part in FUN Football Coaching's World Cup Celebration Days. The sessions were packed with football challenges, inclusive games, and creative activities that brought the World Cup spirit to life.

The children loved learning about footballers past and present, practising new skills, and enjoying fun-filled mini tournaments with proud celebrations and medals. It was a brilliant mix of teamwork, confidence and joy - more than football, it was a celebration of coming together. Thank you to Jason for a fun day!

Thank you to Mrs Somerville and Mrs Connelly for organising another fun and engaging Football Enrichment Day for our children.

Rock Steady Concert

Well done to all of our rock star performers for yet another fantastic end of year musical performance. The quality of the performances was amazing, and it was wonderful to see just how far the children have come in their musical journeys this year. A huge thank you to Joe from Rock Steady for his expert leadership, and to all the family members who came along to support and celebrate the children's achievements.

EYFS Beale Park Trip

Our EYFS children have spent the day at Beale Park today! I am sure they will be full of exciting stories and experiences to share with you when they return home. Thank you to all the volunteers who came along to help and support the trip. We simply could not offer these valuable learning experiences without your support.

Hot Weather Reminder

With the hot weather expected to continue into next week, we would like to help keep everyone safe and comfortable. Please ensure that your child:

- Has sun cream applied before arriving at school.
- Brings and wears a suitable sun hat.
- Brings a refillable water bottle to stay hydrated throughout the day.

Children are welcome to continue wearing their PE kits all week to help them stay cool and comfortable during the warmer weather.

The Pantry - Wednesday 15th July

The menu for Wednesday has changed and will no longer be roast dinner (due to the heat) it will be burgers and veggie burgers with potato wedges.

School Reports

Your child will be coming home with their school reports at the end of the day today, so please make sure you check their bags.

We are now heading into our final week of term and, for our Year 6 children, their final week at Keep Hatch. We look forward to celebrating their many achievements and creating some special memories as they prepare for the next stage of their educational journey.
