Comic Relief

Thank you to all families for supporting Comic Relief again this year and for your generous donations for this worthy cause. Comic Relief does fantastic work in supporting communities and every donation makes a real difference in helping those in need. Thank you to everyone who participated and donated!

Sharing Assemblies Y3 and Y5

A big 'well done' to our Y3 and Y5 children for their fabulous sharing assemblies, and thank you to all parents and families for coming along to support your children and hear about their exciting learning.

Parents' Evenings

We look forward to welcoming parents and families into school next week for our Spring Term parents evenings. If we could request that all families are mindful of the time allocated per appointment to allow for the evenings to run as smoothly as possible. We look forward to sharing your children's learning journeys with you.

Football Match

The Keep Hatch boys unfortunately lost on Tuesday night in a tough fixture but one that we definitely edged! After going behind twice, we managed to get it level at 2-2 and were much the better team and definitely deserved to win! Unfortunately, the dreaded penalties were to decide the winner and we didn't manage to get over the line. The boys should be so proud of their performance and it was great to see the training in action!

Cake Sale

Keep Hatch will be celebrating Neurodiversity Week 18th – 24th March. We will be holding a cake sale after school on the 22nd March to fundraise for resources to support the SEND Department. We would welcome any donations of (nut free) cakes and biscuits to be brought into school on the morning of the 22nd March. Please do come along and purchase a cake to celebrate this important week in our school calendar! Many thanks in advance for all your support.
